Objective

My current goal is to expand my current work experience. Currently, I'm working to get a degree in Computer Science.

Education

Class of 2019	Ridgeview High School	Orange Park, FL
Class of 2023	New College of Florida	Sarasota, FL

I am currently a third-year at New College of Florida, pursuing a degree in Computer Science. We don't have a GPA here (weird, I know), so it's a pass/fail system. I have yet to fail a class, though, so that means I have at least a 3.0gpa, as I still have my Bright Futures Degree.

Academic Awards/Achievements:

- Completed High school in the IB Program, with a 3.618 weighted GPA.
- 34 Hours of Community Service at Fall Festival
- 48 Hours of Community Service at Ronald McDonald house
- 20 Hours of Community Service at Mobility World Wide
- Passing every course I have taken at New College of Florida

Computer Skills

Industry Certification

Adobe Certified Associate InDesign CS6 and Illustrator CS6, Microsoft Office Specialist Excel, PowerPoint, and Word 2016, and Microsoft Technology Associate Security Fundamentals.

Computer Applications

Working knowledge of Microsoft Office 2016 including Word, Excel, and Power Point.
Entry-level graphics design using Adobe Photoshop CS6 and Illustrator CS6

Work Experience

05/17/18-08/02/18	McDonalds	Orange Park, FL, 32003

Job Title: Crew Member

I worked at McDonalds for about three months and had to leave as I had to move to a new town, and could no longer bike to there for work.

10/15/19-02/18/20

Neighborhood Walmart

Sarasota, FL, 34234

Job Title: Cashier & Front End

I worked at Walmart during college, up until my second semester, because I was taking a class called “Object Oriented Programming”, which took up so much time, I was forced to resign.
